LET YOUR GUARD DOWN

It can be the tug on a line, the haunting call of a loon, or the sight of a soaring eagle. Perhaps it is the beauty of a multicolored sunset seen from a boat; it may be the feeling of awe walking below the fall color canopy, the crisp breath before skiing down a fresh set of tracks. The warmth of a well-prepared fish fry, the laughter of our friends and loved ones enjoying the cabin life. The excitement of discovering what lies beyond the bend on a snowmobile trail, the thrill of the hunt, or an old-fashioned toast by the fire. These are the core memories forged every season and year after year here in the heart of the Northwoods, St. Germain! It doesn't matter if you have experienced this area once, you visit regularly, or have been fortunate enough to call it home; we know that just like migratory birds, when away for too long, we eventually feel that magnetic pull deep inside. It calls us back North to experience it all over again!

St. Germain is a small town that sits in the heart of the Northwoods, truly in the middle (or a short drive away) from everything that Northern Wisconsin has to offer, and there is a community of dedicated business owners and locals who take pride in providing memorable experiences and services to our guests. Our motto of "Escape the Fast Lane and come to St. Germain" is understood soon after you arrive! It's easy to unwind and leave the hustle and bustle behind when surrounded by pristine lakes and forests. There are so many ways to explore that we can't help but awaken our inner child's curiosity and understand that this is nature's playground!

There are opportunities for biking, golf, fishing, hiking, ATV and snowmobile riding, paddling, skiing, and nature watching, and it gets better! From Flea Markets and Bingo, Craft shows and Concert Crawls, 5k Runs, the Original Colorama, and many other events, there is always something happening in St. Germain! When you're done exploring, unwind with your favorite Northwoods fare and refreshments. This is the home of Cranberry Flap Jacks, Fish Fry, and Old Fashioned Cocktails, the realm of gooey cheese curds, juicy grilled delights, and decadent ice-cream treats. A new favorite restaurant, tavern, ice cream parlor, or coffee shop is just around the corner, waiting for you to discover it!

As you page through our guide and browse our website, you will discover many business listings representing contact information for Restaurants, Taverns and Resorts, Property Managers, Fishing Guides, Recreational Rentals, Shops, Services, Artisans, and Non-Profits, all Chamber members dedicated to providing you with everything you need to make your visit to St. Germain, a memorable escape.

Welcome to St. Germain; you'll want to stay for a while!

2025 Events

JANUARY

JANUARY 18: THE BATTLE ON ST GERMAIN LAKES

Do you love to fish on the ice? This tournament, sponsored by Northwoods Muskies Inc, is fun for the entire family. Fish for nine different fish species on eight lakes and the Rainbow Flowage. Prizes will be awarded at the end of the day.

When: Saturday, January 18

Where: Area Lakes

www.st-germain.com 715.477.2205/Northwoods Muskies Inc on Facebook

FEBRUARY

FEBRUARY 5-6: ARROWHEAD GROOMER SHOW

How are snowmobile trails kept in such great shape? Hamblen Equipment, the home of Arrowhead Groomers in St. Germain, hosts the Arrowhead Groomer Show. It is one of the largest groomer shows in the Midwest. Come and drive the new equipment and learn how the snowmobile trails are kept in such great shape.

When: Wednesday, February 5 and Thursday, February 6

Where: 6351 State Hwy 70, St Germain

www.ArrowheadGroomers.com 715.479.4200

FEBRUARY 15: AWASSA TRAIL BY CANDLELIGHT

Experience the beauty of the Awassa Trails by candlelight at this family-friendly event. You can snowshoe, ski or fat bike the 1.4 mile, groomed loop. Then enjoy hot chocolate and s'mores by the bonfire. Park behind the St Germain Elementary School. Well-behaved, leashed pets are allowed. Hosted by the St Germain Non-Motorized Trails Committee. Event is free.

When: Saturday, February 15

Where: Awassa Trail, behind the St Germain Elementary School, 8234 Hwy 70
www.st-germain.com 715.477.2205

FEBRUARY 15: RIDE WITH THE CHAMPS

The annual ride will be presented by Livingston's Arctic Cat of Hillsboro, New Hampshire, and hosted by the Snowmobile Hall of Fame of St. Germain. The event includes a ride on the Eagle River Derby Track hosted by Tom Steiner, the Vintage Challenge to Little Bohemia, and the Swamp Challenge travels to the Tomahawk area and a tour of Ski Doo history. Check out the website for more details on all the rides and the fish fry. Visit the website for all the details!

When: Saturday, February 15

Where: 1246 Sled World Blvd (off State Hwy 70 West)

www.snowmobilehalloffame.com 715.542.4463

WWW.ST-GERMAIN.COM

FEBRUARY 23: TIP-UP ICE FISHING EVENT

New! The St Germain Chamber of Commerce is sponsoring a new winter event with a day of tip-up ice fishing. Don't know how to ice fish or haven't done it before? That's ok. We'll have experts on site. Fun for all. Prizes and food, too.

When: Sunday, February 23

Where: Cedaroma Lodge

www.st-germain.com 715.477.2205

MAY

MAY 17: MARTINIS IN MAY

American humorist James Thurber said, "One martini is all right, two are too many, and three are not enough." Tony Ocean is returning to entertain the tasters! Enjoy an evening of libations, food, and live music while local bartenders compete in three categories: People's Choice, Judge's Choice, and Best Presentation. Tickets are limited.

When: Saturday, May 17

Where: Whitetail Inn, 9038 Hwy 70 West

www.st-germain.com 715.477.2205

MAY 24-25: CLASSIC SLED ROUNDUP

It may be Springtime but the thought of owning a snowmobile never takes a season off. The Snowmobile Hall of Fame hosts the annual Classic Sled Roundup at the St Germain Community Park. The event will include vintage snowmobile displays and one of the best swap meets in the Midwest. Visit the website for swap spaces. Don't forget to buy a raffle ticket!

When: Saturday, May 24 and Sunday, May 25

Where: St Germain Community Park, 545 Hwy 155

www.snowmobilehalloffame.com 715.542.4463

MONDAYS, MAY 26 – JUNE 30: FLEA MARKET

Beginning Memorial Day and ending Labor Day, every Monday is the Flea Market hosted by the St Germain Volunteer Fire Department Association. Rain or shine, 8am-3pm. Shop at one of the largest flea markets in the Northwoods. Shops for arts and crafts, antiques, veggies, flowers, jewelry, soap: you name it, it's probably for sale. Come to the St Germain Community Park for shopping and food provided by the St Germain Northwoods Lions Club.

When: Mondays in June

Where: St Germain Community Park, 545 Hwy 155

www.sgfire.org 715.891.7333

MAY 31: TACKLE BOX TOURNAMENT

Here's a fishing event the whole family can enjoy! Sign up for the Tackle Box Tournament! This catch-and-release event, hosted by the St Germain Chamber of Commerce, takes place on Vilas and Oneida County lakes. Check-in will be Friday night. Then, go fishing on Saturday for largemouth and smallmouth bass, walleye, northern pike, and pan fish. Fun categories include the smallest fish, first fish caught, and last fish caught. Awards, prizes, and raffles will be on Saturday evening. So, load up the boat and bring your bait, sunscreen, and refreshments to spend the weekend on the lake! Fun for everyone!

When: Saturday, May 31

Where: Oneida and Vilas Lakes

www.st-germain.com 715.477.2205

JUNE**MONDAYS, JUNE 2 – JUNE 30: MONDAY NIGHT BINGO**

An evening of family fun with ten games played. \$1,000 of prizes will be given out, door prizes, and a 50/50 raffle. Doors open at 6:15pm and the fun begins at 7pm at the St Germain Community Center. All ages are welcome!

When: Mondays in June

Where: St Germain Community Center, 545 Hwy 155

www.st-germain.com 715.477.2205

WEDNESDAYS AND SATURDAYS, JUNE 11 – JUNE 29: PLUM SKI-TERS SKI SHOW TEAM

Spend a night with the local Plum Ski-TERS Ski Show on Plum Lake. Shows are twice a week during the summer. This family fun show is full of laughs and amazing entertainment.

When: Wednesdays and Saturdays, 7:00pm

Where: 3230 State House Point Road, Sayner, WI (off Razorback Road)

www.plumskiters.org or facebook.com/PlumSkiters

JUNE 7: FORK ON THE RIVER CHARITY PADDLE

Do you enjoy a relaxing time on the river? Feed Our Rural Kids (FORK) will host a two-hour paddle for charity on the Wisconsin River to raise funds for their program. FORK provides nutritional foods for students and their families in three local school districts. Participants of the event will be shuttled to Hwy G boat launch.

When: Saturday, June 7

Where: Wisconsin River starting in Eagle River, 5179 Hwy 70

<https://www.feedourruralkids.org/>

JUNE 14: WALK IN THE WOODS

Stroll among the pines at our 18th Annual Walk in the Woods Art Fair. Shop from over 50 regional artists with an eclectic mix of pottery, paintings, photography, wood carvings, homemade candles, and jewelry. Enjoy wine sampling and live music as you stroll through the woods to find one-of-a-kind treasures at the St Germain Chamber, 473 Hwy 70 East. Food and beverages will be provided by the St Germain Lions Club.

When: Saturday, June 14

Where: Chamber Park, 473 State Hwy 70 East

www.st-germain.com 715.477.2205

JUNE 20-21: TOWN GARAGE SALE

Are you looking for a bargain or the elusive childhood toy? The Town of St Germain Town Garage Sale returns this year. Grab a map of the local sales at the Chamber of Commerce and head out for a day of treasure hunting, adding new items to your wardrobe, or find something you didn't know you had to have.

When: Friday, June 20 – Saturday, June 21

Where: Town of St Germain and surrounding areas

www.st-germain.com 715.477.2205

JUNE 25: ST GERMAIN LIVE! CONCERT CRAWL

Join us as we 'crawl' around St Germain on Wednesday nights for the Concert Crawl. Local restaurants and taverns host local musicians for six weeks of music, rain or shine. Bring your family, your lawn chairs, or a blanket for a fun evening of live music!

When: Wednesday, June 25

www.st-germain.com 715.477.2205

JUNE 29: INDEPENDENCE DAY CELEBRATION

Get a jump on celebrating our nation's birthday! Start with the Freedom 5K Run. Next, enjoy the craft and vendor fair, rides for the kids, games, and live entertainment. The parade begins at 3:00pm (be sure to come early and reserve your space). Celebrating our independence must include fireworks. St Germain hosts thirty-five minutes of the best fireworks in the Northwoods at dusk. Dress up in red, white, and blue and wish our country a 249th birthday!

When: Sunday, June 29

Where: Downtown St. Germain

www.townofstgermain.org/

JULY**WEDNESDAYS AND SATURDAYS, JULY 2 – JULY 30: PLUM SKI-TERS SKI SHOW TEAM**

Spend a night with the local Plum Ski-TERS Ski Show on Plum Lake. Shows are twice a week during the summer. This family fun show is full of laughs and amazing entertainment. NOTE: No show on Saturday, July 19 so the team can go to the Championships.

When: Wednesdays and Saturdays, 7:00pm

Where: 3230 State House Point Road, Sayner, WI (off Razorback Road)

When: Saturday, December 6

Where: Downtown St Germain

www.st-germain.com 715.477.2205

Live the Adventure in St. Germain

While we encourage you to “**Escape the Fast Lane,**” we know that for some of you, that is just not in your blood.

St. Germain’s natural scenery makes it a perfect playground for outdoor enthusiasts. The diverse landscape offers opportunities for fishing/ice fishing, kayaking, hiking, cycling, motorcycling, snowmobiling, and more. Whether you’re a local or traveling, St. Germain has plenty to do for the entire family. Know one of our favorite ways to enjoy the great outdoors and have some good fun? Why not try out the ATV/UTV trails in St. Germain. Many would agree that four-wheeling in St. Germain is one of the best ways to spend a weekend or a vacation trip. The trails and routes will take you on a fantastic ride. All you need is your machine and a full tank of gas for a day of adventure and sightseeing. Travel through the beautiful forests and alongside sparkling lakes and streams. Trails open in May and end in October, giving ample opportunities for you to ride the trails. Visit www.stgatvclub.org for more information on ATV/UTV trails and conditions.

SNOWMOBILING

With over 100 miles of groomed trails, St. Germain is known for having the best trail system in the state! Snowmobilers love the Bo-Boen Snowmobile Club trails. Blanketed with soft white snow, the trails are groomed nightly to give you the best ride every day. The trails encompass many different

landscapes. You will ride through tall evergreens encased in snow and forests where the sun will shine down on you, eagles will soar above you, and the wildlife will surround you as you make your way through the scenic routes.

The Bo-Boen snowmobile club has over 1,100 members, making it the largest snowmobile club in the state. It uses two Tucker Terra Sno-Cats, one New Holland Tractor and Arrowhead Groomers, and Sno*Boss Drags, both of which are manufactured right here in St. Germain. St. Germain has also been recognized as a Snowmobile Friendly Town by the Association of Wisconsin Snowmobile Clubs. For more information and trail conditions, visit www.boboen.com.

While you are here on your sled, don’t forget to check out the Snowmobile Hall of Fame, located at 1246 Sled World Boulevard, just off Highway 70. At the Snowmobile Hall of Fame, they are dedicated to preserving and showcasing the rich and exciting history of snowmobiling at both the recreational and competitive levels through the operation of a museum, hall of fame, and library for the sport. Annual inductions honor the men and women who played significant roles at the racing venues, design and manufacturing arenas, local clubs, state associations, and national organizations.

For more information on the Snowmobile Hall of Fame, visit www.snowmobilehalloffame.com.

BO-BOEN SNOWMOBILE CLUB

Roger Klein - President, Bo-Boen Snowmobile Club

St Germain is Bo-Boen Country and is home to Wisconsin's largest snowmobile club with over 1,100 members. The club was founded in 1969 with the purpose of providing the best and safest snowmobile trails in the state. The club has a team of dedicated groomer drivers that along with the best grooming equipment available, maintain over 100 miles of groomed snowmobile trails. Trail grooming is performed every evening and night during the snow season. Grooming at night is not only safer for everyone but allows the newly groomed trails to firm up for the best day time riding experience.

St Germain is recognized as a Snowmobile Friendly Town and the Bo-Boen Snowmobile Club is proud to have the support of the entire community. Everything you need for a great snowmobile experience is available right on the trails in St Germain.

The club offers a Snowmobile Safety Class in December each year to educate and promote safe snowmobiling for everyone. We also offer group rides for men and women every Wednesday during the snow season. The club maintains visibility in the community by participating in local events throughout the year.

For more information and trail conditions, visit our website at www.boboens.com or contact the Chamber of Commerce at their website www.st-germain.com or by phone at 715-477-2205.

We look forward to seeing you on the trails.

SUMMER RIDING ADVENTURES

Gary Penner - President, St. Germain ATV Club

Families and friends are discovering the natural beauty of the Northwoods as they ride an all-terrain vehicle or utility task vehicle/side-by-side (ATV/UTV) on trails in and around St. Germain. Whether you've ridden a four-wheeler before or this is your first time, it is our goal that you will want to come back again and again.

There are over 150 miles of signed ATV/UTV routes and trails in the St. Germain area! The St. Germain ATV/UTV trail system connects to several other trail systems in the area (Landover, Lakeland, Lake Tomahawk, Presque Isle and more) and traverses public and private land. The trails open on or after May 1, depending on weather and trail conditions, and close on October 31 giving riders ample opportunity to explore the trails, stop for a bite to eat and explore the local beauty of the area including lakes and streams.

One of the best ways to learn the trails is to join the St. Germain ATV Club. The Club has over 300 general members and over 100 business members. Our mission is to build and maintain all trails in the Club area while also promoting the safety and respect of those trails and the sport of ATV/UTVing. The Club has several events during the year ranging from Club rides and picnics to the annual Fall Fest which is comprised of a scavenger hunt, ATV/UTV games, prizes, food and fun! Non-members are always welcome to join any event the Club sponsors. To join the St. Germain ATV Club, simply visit www.stgatvclub.org and click on "Join Our Club". The Club also has a robust Facebook page at "St. Germain ATV Club" where you can check out activities and informational postings.

So, gear up, grab a trail map at the Chamber of Commerce or any of our local businesses in St. Germain and enjoy a day of riding!

St. Germain Trails

Offer Serenity, Easy Access

St. Germain is where you will find towering pines and mature hardwoods caressing our silent sport trails, which lead bikers and hikers past lakes and streams that dot the area. Some are paved bike trails that weave and bob their way through the forest and along lightly-traveled backroads, all leading riders to one delight after another. Others are lightly-contoured forest paths, favored by backpackers who might pause in bemusement as a red squirrel or blue jay scolds their presence.

To those just leaving the fast lane, take a deep breath of air; let it out slowly; and take another. No one is in a hurry here, and no one needs to be! Now that we have you primed with fresh, clean air, let's tackle the trails. (Learn more about the following trails by going to www.stgermainsilenttrails.org.)

HEART OF VILAS COUNTY

The Heart of Vilas County Bike Trail offers riders more than 52 miles of paved trails that connects St. Germain with Sayner, Boulder Junction, Manitowish Waters and Mercer. This spectacular trail, recognized as a National Recreation Trail in 2020, winds through the Northern Highland-American Legion Forest and along crystal clear lakes and rivers. Just over 13 miles of it runs through the Town of St. Germain.

The trail system features smooth pavement suitable for all types of riders -- from flat-to-rolling terrain, manageable hills, and multiple scenic bridges. Along the trail are many scenic rest areas with picnic spots and restrooms. You will also find swimming spots for a quick cool down in the summer months, and walking trails if you want a break from two wheels. There are 20 different parking areas to choose where to start your ride.

Two segments run through St. Germain. The first segment connects the South Bay trail lot (Highway O) to the St. Germain Chamber of Commerce. This 5.5-mile trail is ideal for beginners because of its flat terrain. The second segment also begins at the St. Germain Chamber of Commerce and heads west and then north into Sayner. This 8.5-mile-long trail is filled with rolling terrain, some steep hills and chances to see wildlife.

That trailhead at the Chamber office includes a picnic table where you can rest and eat lunch. Of course, feel free to come inside the center for maps, brochures and advice from the chamber staff.

There are several campgrounds along the trail, as well as many motels and resorts on or easily accessible to the trail. From the Heart of Vilas Bike Trail, you can ride right up to a restaurant for a great meal or a quick snack.

THE AWASSA TRAIL

You're forgiven if, after a ride on this outstanding trail, you refer to it as "Awesome Trail." The Awassa Nature Preserve trail bends its way through 230 acres of old-growth forest for some five miles. You can choose any or all of the four trail loops. Notably, this relatively flat, shaded trail is wheelchair accessible. It's also a local favorite for walking, snowshoeing and Nordic skiing. Portions are open to fat tire bikers during winter. During February's candlelight event, hundreds of ice luminaries light the entire 1.4-mile loop for skiers, snowshoers and fat tire bikers. There is a woodland bonfire and hot chocolate to help you warm up following your trek.

Serenity is what you will feel when you pause along the trail to drink in the atmosphere. The woods are home to several warbler species. Listen for them as you hike, especially in the early morning and evening hours. There are benches for quiet reflection, or for reading a book. Bring your young children who will delight in looking for the next pages highlighted on the story hike.

FERN RIDGE TRAIL

This trail can be found just outside of St. Germain, with a new trailhead on Forest Lane. Fern Ridge has been flying under the radar for most outdoor enthusiasts, but now we think this 1.4-mile trail is finally getting its rightful recognition. Those in the know come to it for hiking and in the winter, snowshoeing. There are a number of benches when it's time for a rest. We're excited to announce the recently developed 4 miles of mountain biking trails are now open at the Fern Ridge Recreation Area. These fast, flow type singletrack mountain bike trails have been professionally built and signed. Fern Ridge is located at 2005 Forest Ln., just north of St. Germain.

SHANNON LAKE TRAIL

Shannon Trail System is located 5-10 minutes northeast of St. Germain. This trail system provides a beautiful outdoor experience to its visitors. The terrain around Shannon Lake features gently rolling hills and a large variety of different tree types that provide a pleasing environment to hike, bike, snowshoe or ski.

There are four loops that make up the trail system with the especially scenic green loop surrounding Shannon Lake being a visitor favorite. Each loop ranges in length from 1.9 (yellow), 2.1 (green), 4.7 (blue) & 6.5 miles (red). The trails are open to mountain biking and hiking in the summer and fat tire biking, un-groomed skiing, and snowshoeing in the winter.

There are two parking locations. One is located off Highway G approximately 2 miles east of Highway N between Sayner and Eagle River and the other is located off Found Lake Road near St. Germain. The parking area off Shannon Lake Road provides the shortest access point for the green loop.

Wildlife near & Deer to our Hearts

Written By Ken Jackson

Photo By Favor Photography

St. Germain has been a vacation destination for over a century. Its visitors come here for a multitude of reasons, to get away from the bustle of the city, to enjoy the peace of the woods and lakes, and to spend time with family. There are many tourist attractions, events and activities that keep people coming back year after year. One mainstay of this area is the abundant wildlife throughout our forests. Many majestic species of birds, adorable critters such as squirrels and chipmunks, and playful water animals including muskrats, beavers, and otters provide entertainment. Yet with all this wildlife, few animals provide such compelling moments to visitors of St. Germain as the whitetail deer. St. Germain's layout is ideal for seeing deer. Deer are very social creatures, and because there is plenty of this species' natural habitat surrounding the area's homes, resorts, and other businesses, visitors can have up-close encounters with deer on nearly any given day in St. Germain.

Whitetail deer are prey animals with their natural predators being coyotes and wolves. These predators do not enjoy human interaction and lurk in the remote areas away from St. Germain's visitors, and as a result deer move closer to the areas with a higher concentration of people. Deer have no problem walking through yards, feeding in open grassy areas, and being near people doing everyday things. Deer are familiar with people and their ability to adapt to human interaction has provided them a form of protection from some of the frightening predators that can be found deeper in the woods. Deer will share a fairway at the golf course. They will feed in the yard during

a family barbeque. They can be seen drinking water in a lake where there are nearby boats. Whitetail deer may maintain a cautious distance, but their ability to co-exist with people has allowed them to flourish in St. Germain.

One amazing miracle of nature is the Albino Whitetail Deer. Although rare, these unique deer can be seen in the St. Germain area. Albino deer have a rare recessive gene that produces offspring which display albinism which includes a snow white coat, a pink nose and pink eyes. Consequently you may find only one albino deer in a herd of several thousand. But, because this gene can be passed down, the likelihood of finding more albino deer is better in an area where another albino lives.

The history of albino deer in the St. Germain area goes back several decades and some of these magnificent white animals wander the woods today. Because they stand out with their brilliant white coats, albino whitetails cannot hide like their brown brethren, yet these unique animals have found a perfect home in St. Germain amongst the residents and visitors.

Unfortunately, because whitetails interact so well with humans, they display little fear when it comes to crossing highways and busy roads. Extra care should be taken when driving during low light periods as deer tend to move more at night, especially during the fall months. During the winter months many deer use the Bo-Boen trail system to move through the woods as the packed down trails provide easier passage when late winter snows make travel difficult. So be sure to keep an eye out for the deer when enjoying our snowmobile trail system.

Next time you are visiting the St. Germain area, have your phone ready to snap a picture of these beautiful and photogenic creatures. You may even be lucky enough to capture a photo of an awe-inspiring albino for your St. Germain Vacation Album.

The Eagles are Landing

Written By Ken Jackson

Photo By Favor Photography

Photo By Favor Photography

It's commonly known that northern Wisconsin is home to hundreds of species of wildlife. While visitors love to capture pictures of deer, chipmunks, and other inhabitants of the St. Germain area, no species is more sought after and more highly regarded than the North American Bald Eagle.

Wildlife researchers have identified the region of Vilas and Oneida Counties as having the heaviest density of nesting eagles anywhere in North America. Vast opportunities to see eagles interacting with each other and witness their hunting activities is a treat that provides memories that few other places can offer.

What makes the St. Germain area so inviting to eagles? It's the habitat. Eagles love to sit and nest in the tallest of trees. Our area has a heavy concentration of old white pine trees. Many of these old pines exceed 120 years of age and reach heights of over 100 feet. The placement of these majestic trees on the shorelines of our lakes gives the eagles their observation platforms to utilize their incredible eyesight. Their eyesight is estimated to be 8 times more powerful than humans. Due to this unbelievable ability, it is said that eagles can spot something as small as a rabbit at a distance of two miles. This allows eagles to swoop down from the tallest of tree tops and capture their next meal.

The other environmental attribute that makes St. Germain special for this majestic bird is the vast amount of surface water in the town. St. Germain is centered in one of the heaviest concentrations of freshwater lakes in the world. Besides the larger lakes, many feeder streams that serve as inlets and outlets of the various lakes remain open year-round, providing more hunting opportunities for eagles when the main bodies of water have iced up for the winter.

It is not uncommon to see a group of several eagles together, especially early in summer. They are very social creatures. Eagles like other eagles. When there is enough food to be shared, as many as 20 eagles can be seen along the shore of a lake at a given time.

When visiting the St. Germain area, keep in mind that eagles are used to having people around, but they don't like it when humans get too close. They may be guarding a nest of their young, or they may be hunting. If you see one of these majestic creatures overlooking an area lake from a treetop, remain quiet, enjoy the peace and serenity of the northwoods and know that you are seeing the best that nature has to offer.

Know your Fish

MUSKY

The king of freshwater fish. They are the top predator and least populated fish in our lakes. Catch and release is the common practice these days. It's known as the fish of 10,000 casts, but hiring a guide will cut those odds

NORTHERN PIKE

Wisconsin's second largest predator fish, second only to their relative the musky. Pike are typically very aggressive and will feed anytime the opportunity allows. They prefer weed flats and other ambush points.

WALLEYE

The walleye is the largest member of the perch family and is often targeted for its table fare. Walleyes can be tough to find, but when they are located, they typically cooperate and bite. Bait secret: minnows, nightcrawlers and leeches, and back to minnows as the season starts and finishes.

PERCH

A small fish that most anglers seek more for the taste than the tug. Adults average 7 to 10 inches which make it a good fish for all ages to catch. Perch have a tendency to congregate in large schools making it a one-stop spot to catch your dinner.

BASS

Large and smallmouth bass are brothers, but like family they do take separate paths. We have several small backwoods lakes that offer untapped largemouth fishing, and several area lakes that offer numbers to trophy fishing for smallmouth. **NOTE: the season for smallmouth isn't open to harvest until the 3rd Saturday of June. Regulations for harvest of largemouth are different from lake to lake.**

PANFISH

These fish are probably one of the most popular sport and eating fish in Wisconsin. Crappies, bluegills, and sunfish are our most common "panfish". Probably the most targeted fish in the spring, and often over harvested. Remember to take only enough for a meal and leave some for another day.

Fishing in St. Germain

Advice from a guide

Christina Truppe grew up with a rod in her hand and today she chases her passion one cast at a time as a St. Germain fishing guide. Dividing her time between working as a traveling nurse and taking people of all ages out on the water, she's owner of Christina Truppe Musky Guide Service. Truppe shared a few details about her guide business and what makes St. Germain such a special area for anglers.

Truppe's fishing background

I was born with musky fishing in my blood – my dad and grandpa were both avid musky fishermen and they had me on the boat before I was two years old. I caught my first musky in St. Germain when I was 11 years old, and that is when the addiction started. 99% of my time on the water is spent targeting muskies. I have an appreciation for other fish species, but there is an unmatched adrenaline rush and gratifying feeling that for me only comes with musky fishing. Some of my favorite fisheries include lakes in and around the St. Germain area.

Why Truppe operates her business out of the St. Germain area

My love for musky fishing in the St. Germain area is the sole reason why I moved here full time four years ago, and I have created my entire life around it. I have been fishing these waters for my entire life, and I started Christina Truppe Musky Guide Service here two seasons ago. This area sees a lot of tourist traffic, and a good number of them are fishermen. It's gratifying to be able to share my love for musky fishing with others who appreciate it as much as I do.

What is special about fishing in St. Germain?

St. Germain offers a variety of reliable fisheries with public access; there are clear water lakes, stained water lakes, deep lakes, shallow lakes, weeds, rocks and even rivers – you name it, and we've got it here. There are a variety of species to target within these lakes and rivers – including panfish, trout, largemouth bass, smallmouth bass, musky, walleye and northern pike.

Who does St. Germain appeal to?

St. Germain is a perfect destination for fishermen, because there is something to offer here for everyone. Whether a fisherman wants to throw

on their waders and cast for smallmouth in a bouldery river or hop in a boat and cast for the fish of 10,000 casts, this area has it all. St. Germain has bountiful lake and fish populations, knowledgeable bait shops like Last Cast Fishing Outfitters, and several fishing guides available.

What are the advantages of working with a guide?

The St. Germain area is home to a handful of knowledgeable fishing guides. Fishing guides are great tools for even experienced anglers. Hiring a guide serves many purposes. First and foremost, a guide is hired to teach you the most efficient techniques to catch your target species. A guide will show and teach you about bait presentations, gear, structure, patterns, proper fish handling, boat control, electronics, seasonal transitions, and how to cast and figure eight if need be. For an average person vacationing to the Northwoods for a week or a weekend, their time on the water is limited. Hiring a guide can provide you with the knowledge necessary to make your time on the water more productive.

What are some popular fishing lakes in St. Germain?

A few of the popular fishing lakes in St. Germain include: Big Saint Germain Lake, Little Saint Germain Lake, Lost Lake, Found Lake, Pickerel Lake and Lake Content.

Learn more about Truppe's guide service and here are some more St. Germain guides who are ready to get you out on the water.

Ken Jackson Guide Service: This experienced, third-generation guide follows in the footsteps of his father George and Grandfather Art Jackson. He enjoys sharing his knowledge with anglers of all ages who come to St. Germain.

White's Woods & Waters: Whether you're planning an adventure in the woods or on the water, this is a guide who can help. This premier fishing and hunting guide service specializes in walleye, smallmouth and musky.

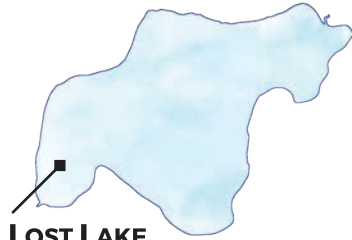

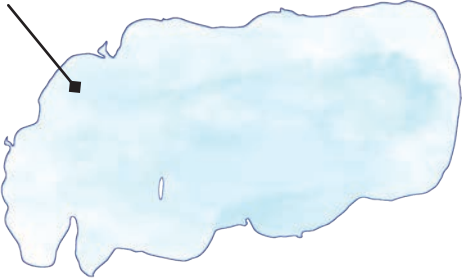

Last Cast Fishing Outfitters: The goal of this shop is to ensure you have the best time on the lake. They carry all the bait and the latest gear you need, and their guide service will help ensure success on the water.

Get to know Our Lakes

St. Germain is fortunate to be located in Vilas County, home to one of the largest collections of freshwater lakes in the world! With more than 1300 lakes and 73 rivers and streams, you're sure to find something to help make a memory!

BIG ST. GERMAIN LAKE

Size: 1617 acres
Depth: 21' average/42' maximum
Shoreline: 7.25 miles
Noted for: Large open body of water is ideal for numerous recreational water sports. Connected by channels to Fawn Lake & Lake Content.

LOST LAKE

Size: 544 acres
Depth: 11' average/20' maximum
Shoreline: 4.6 miles
Noted for: Yearly favorite lake for Greater Wisconsin Musky Tournament anglers-the tournament record 51.0" musky was caught on this lake in 2016.

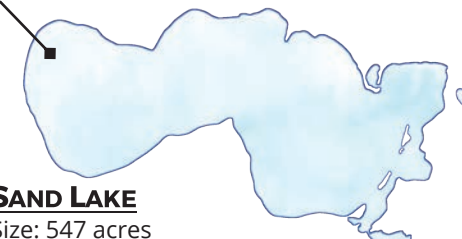

PICKEREL LAKE

Size: 736 acres
Depth: 9' average/17' maximum
Shoreline: 12.38 miles
Noted for: Top-notch fishing and a good lake to enjoy both motor and silent sports on.

DAM LAKE

Size: 732 acres
Depth: 18' average/32' maximum
Shoreline: 6.84 miles
Noted for: Largest lake of the Sugar Camp Chain of 5 Lakes.

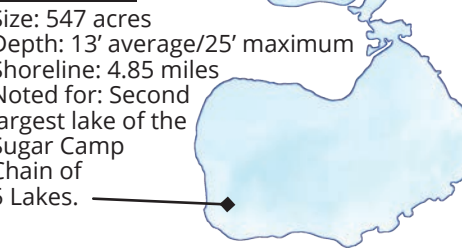

LITTLE ST. GERMAIN LAKE

Size: 980 acres
Depth: 11' average/53' maximum
Shoreline: 14.5 miles
Noted for: Extensive shoreline split into bays makes this an excellent lake for touring with dining options available at several resorts.

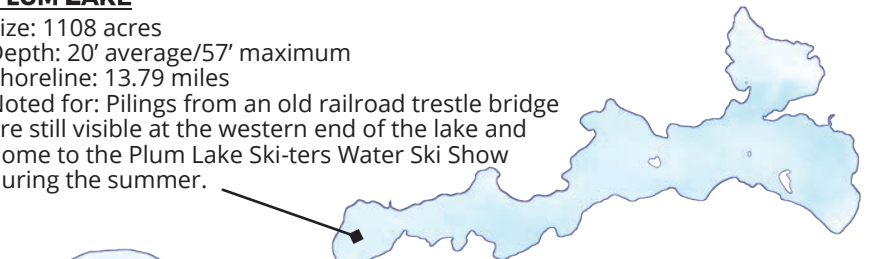

SAND LAKE

Size: 547 acres
Depth: 13' average/25' maximum
Shoreline: 4.85 miles
Noted for: Second largest lake of the Sugar Camp Chain of 5 Lakes.

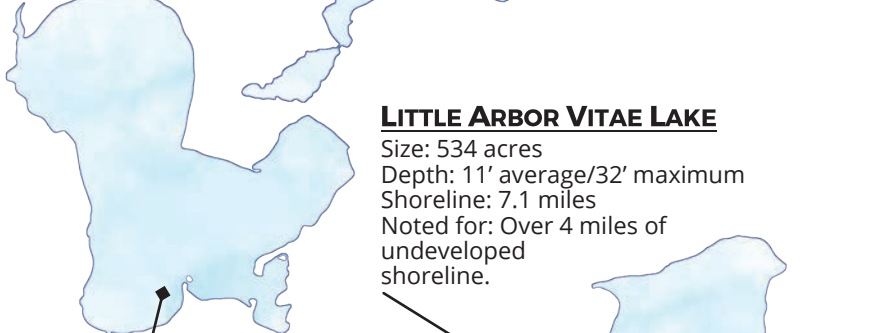

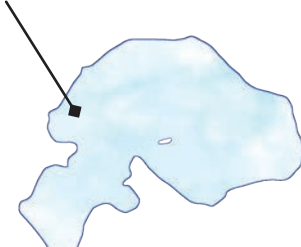

PLUM LAKE

Size: 1108 acres
Depth: 20' average/57' maximum
Shoreline: 13.79 miles
Noted for: Pilings from an old railroad trestle bridge are still visible at the western end of the lake and home to the Plum Lake Ski-ters Water Ski Show during the summer.

FOUND LAKE

Size: 326 acres
Depth: 11' average/21' maximum
Shoreline: 3.62 miles
Noted for: Peaceful, quiet lake. No resorts on this lake - vacation home rentals only.

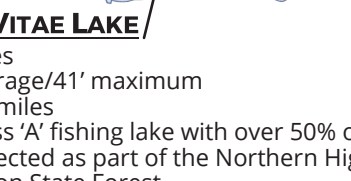

LITTLE ARBOR VITAE LAKE

Size: 534 acres
Depth: 11' average/32' maximum
Shoreline: 7.1 miles
Noted for: Over 4 miles of undeveloped shoreline.

BIG ARBOR VITAE LAKE

Size: 1090 acres
Depth: 18' average/41' maximum
Shoreline: 7.8 miles
Noted for: Class 'A' fishing lake with over 50% of the shoreline protected as part of the Northern Highland-American Legion State Forest.

Awaken your taste buds with an Old Fashioned

Written By Ken Jackson

When visitors come north, there are usually a series of rituals and traditions that people love to engage in. They love to decompress and slip out of their fast-paced lives back home and take part in the relaxation of the north. Certain locations along with special foods and drinks help these folks make the transition from working life to vacation mode. Northwoods visitors routinely enjoy unique cocktails that help create that northwoods vibe. While many different elixirs appeal to the masses, one in particular proves to be the favorite. One that awakens the pallet. a cocktail that is so unique in that it can be mixed many different ways and with a variety of ingredients. Some folks mix them with their own personal touch and the recipe is kept under lock and key. We are taking about the Old Fashioned.

This highly sought-after drink can be made with a variety of ingredients. Some folks love the smoothness of a blended whisky, others enjoy the smokiness of a southern bourbon. Many however, love the fruity flavor of brandy. In truth, brandy was not introduced to the Midwest until the Chicago World's Fair of 1893. Germans immigrants discovered this French based mix and brought some back to their new home in Milwaukee. There they began making brandy old fashioned. After what must have been

some arduous and strenuous experimentation, this cocktail was given new life. Since then, brandy has reigned over whiskey by a somewhat significant margin when comparing the numbers in St. Germain area supper clubs.

The basics are bitters, sugar, a mixer of either sweet or sour and then a brandy or a whiskey to breathe life into the cocktail. Some St. Germain based chemists have been known to dabble in various ways of enhancing flavor, adding cinnamon in some form, and even creating ice cubes infused with maple syrup to give the sweetness a unique twist. Most of these bartenders employ an important tool, a muddler, to properly mix the magic and create a frothy foam, the "fog" that fills the glass before the ice is added.

So, the next time you stroll into a St. Germain area establishment on a Friday night before enjoying a fish fry, ask your mixologist for an old fashioned and prepare to have your taste buds awakened. It's a wonderful way to shift gears and settle into an evening out. Keep in mind this tasty concoction can also be enjoyed as an after-dinner drink if you so desire. Just know that this is a time-tested tradition and once you determine your particular old fashioned variety, you will feel like you're in St. Germain after the first sip.

Sit Back, Relax & Savor the Flavors of St. Germain

You can't truly be on vacation until you experience the local flavors of the Northwoods. Breakfast, lunch, happy hour, dinner, or dessert, St. Germain has it all. From classic fish fries with potato pancakes to handcrafted pizzas, St. Germain's cuisine has been a proud cornerstone of the community for generations. Whether you need to fuel up before heading out for your day's adventures or ease into a warm and filling plate after a full day of fun, St. Germain's local establishments are ready to welcome you with a smile and serve you up a meal you'll never forget.

Feeling thirsty? Don't worry, we've got that covered too! Whether you are looking for the best Bloody Mary, a classic Old Fashioned, or your favorite go-to drink, St. Germain's restaurants and bars never disappoint. Don't forget to check out our local brews – both coffee and beer – that are sure to tantalize your taste buds.

Done with supper and looking to satisfy that sweet tooth? Check out the dessert menu or head down to Elmer's Ice Cream Shop & Mini Golf, Cathy's Ice Cream 'n Candy Shoppe or Naturista Monarch for the best hand-scooped cones around. With so much to choose from, enjoy your favorite classics, or try something a little new.
